3. Responsibility for the Declaration of Conformity

This Declaration of Conformity is issued under the sole responsibility of the producer, Weisse & Eschrich.

4. Object of the declaration

This declaration covers the packaging listed under Section 1, which is used and placed on the market by Weisse & Eschrich for the protection and transport of wire mesh products for the filter technology, mechanical engineering, food, electrical, automotive, aerospace and heat-treatment industries.

5. Compliance with applicable legal requirements

The above-mentioned packaging fulfils the essential requirements of the following provisions of Regulation (EU) 2025/40 (PPWR):

Article	Requirement	Evidence of compliance
Art. 4(1)	Conformity when placing on the market	Internal production control in accordance with Annex VII No. 1
Art. 5(1) and (4)	Minimisation of substances of concern; heavy-metal limits (Pb, Cd, Hg, Cr VI $\leq$ 100 mg/kg)	Supplier declarations for paperboard, film and wooden pallets
Art. 6(1)	Recyclability of packaging	Paperboard and wood: generally recyclable; film: recyclable as PE
Art. 12(1)	Harmonised marking of material composition	Material marking in accordance with Annex V (PAP 20, LDPE, wood)
Art. 24(1)	Void-space ratio $\leq$ 50% for grouped packaging	Internal design review – transport packaging is product-specific
Annex IV	Packaging design (product protection, logistics, functionality)	Internal assessment documented in the technical documentation

6. Applied harmonised standards / technical specifications

The following standards and specifications were applied to the packaging listed under Section 1:

- EN 13428:2004 — Requirements for packaging and packaging waste (prevention of packaging waste through source reduction)
- EN 13430:2004 — Requirements for packaging recoverable by material recycling
- EN 13427:2004 — Requirements for the use of European Standards in the field of packaging and packaging waste

Note: These standards are applied on the basis of the former Packaging Directive 94/62/EC. Once specific harmonised standards are published under the PPWR, this declaration shall be updated accordingly.

7. Details of the notified body

Not applicable. Conformity assessment is carried out under the internal production control module in accordance with Annex VII No. 1 of Regulation (EU) 2025/40. No notified body is involved.

8. Signature

The technical documentation pursuant to Annex VII No. 2 is retained by Weisse & Eschrich and shall be made available electronically to the market surveillance authority upon request within 10 days (Art. 15(10) of Regulation (EU) 2025/40).

Approved by: Jürgen Stumpf, Operations Management / QMS Representative / EMS Representative

Date of issue: 09.09.2026

This document was generated electronically and is valid without a handwritten signature.

This EU Declaration of Conformity applies exclusively to the packaging types listed under Section 1 in the configuration described. Changes to materials, design or intended use require this declaration to be updated. Pursuant to Art. 15(3) of Regulation (EU) 2025/40, the declaration shall be retained from the date on which the packaging is first made available.
